Lasting memories are promised to be made when the community of Wallace gathers for their annual Fall Festival this weekend.

"Where your memories last a lifetime" is the theme for this year's event, with the two-day festival getting underway early Saturday, Sept. 17 with a biscuits and gravy free-will donation breakfast from 7-9 a.m. at the Wallace Hotel sponsored by the Wallace Fire Department.

A full slate of activities follows throughout the day, culminating with a street dance that night.

On Sunday, Sept. 18, a 6 p.m. community-wide cowboy church service at the park hosted by Fellowship of Christian Cowboys will end the weekend's festivities.
