Monthly reports were released by Grant City Council during their regular meeting on Feb. 9.

The monthly report from the city enforcement officer, which gives a breakdown of building permits issued along with monthly reports of figures for water use and of lotto sales and payout, were released by council.

Building Permits

A breakdown of building permits includes: Applications filed, two; permits issued, two; cost estimate, \$47,100; fees collected, \$94.

Water Use

Gallons used during January 2010: 4,632,700.

Previous month comparison: This is a decrease from December 2009 when 4,861,600 gallons were used.

Previous year comparison: Gallons used during January 2009 were fewer than those used this January. There were 4,285,600 gallons of water used in January 2009.

Lotto Sales/Payout

During the month of January, lotto sales at DJ's Bar and Grill totaled \$16,280. Payout of \$13,167 from these sales leaves a net of just over \$3,110.

A \$4 prize remains unclaimed.
