

The Nebraska Game and Parks Commission will consider ending the ban on alcohol consumption in state park and wildlife management areas (WMAs) at its next scheduled meeting, May 28, at the Gering Civic Center.

The meeting will start at 8 a.m. The public hearings to consider ending the ban on alcohol consumption are scheduled to begin at 8:30 a.m. The proposed changes in regulations may be viewed on the Secretary of State's web site and also are available at commission headquarters in Lincoln.
