

Fifteen ladies from the Perkins County Red Hats were treated like royalty at Mashie Niblick at Bayside. They enjoyed a delicious salad of fresh green and red lettuce, hot sesame seed rolls and buffet of new potatoes with fresh chives and parsley, baby carrots with chives, chicken in rice and chicken with creamed angel hair pasta. For dessert they enjoyed a choice of fresh Colorado peach cobbler or strawberry parfait.

After lunch Larry treated the ladies to a golf cart tour of the 18-hole golf course—there are many sand traps. Following the tour, everyone enjoyed a cool glass of iced tea out on the deck where they enjoyed the beautiful view.

Some are looking forward to returning to Mashie's for a prime rib or brisket dinner.

The next outing will be June 27 at the Grant airport listening to the tunes the Red Hatters grew up to from the 40s and 50s as performed by the Avi8ors. Spouses are invited for this outing as this is part of their history also.
