With the Relay For Life just two weeks away, the Thunder on the High Line team is gearing up for the final push toward raising money for cancer research.

The annual event is set for July 16-17 in Ogallala, sponsored by the American Cancer Society and the committee of Western Trails Relay For Life. The theme is "Game On." Individuals who want to honor cancer survivors, caregivers, or pay tribute to those who have lost their battle with cancer are invited to join.

Anyone interested in becoming a team member may contact Jeanie Daiss 308-352-4073 or Toni Wyatt 308-352-2277.
