

In an effort to spread the Christmas spirit, again this Christmas season Angel Trees will be placed in churches around the county.

Each Angel Tree will hold cards on the branches and people may select a card and purchase the gift of choice.

Each card will indicate the age of the child, their gender, their toy preference or size of shoes, pants or shirt, etc.

Look for the trees in any of the local churches.

Monetary gifts to the Angel Tree project will gladly be accepted by any of the churches or Pinnacle Bank. The money will be used to purchase food baskets and gifts for the families in need.

Those who need help in assuring their child has a Merry Christmas are urged to contact a pastor at any of the churches in Perkins County.

Information will be kept confidential by individual pastors.
