Figures were released for water use and lotto by Grant City Council at their regular meeting on March 8.

- **Water:** Water usage was down in February by nearly 2 million gallons. January's water use was nearly 6 million gallons. During February, 3,977,100 gallons were consumed by Grant residents.

In a one year comparison, however, this February's usage was up by 81,200 gallons over February 2010 usage.

- **Lotto:** Sales at DJ's Bar and Grill during February totaled \$10,705. Nearly \$9,713 was paid out, leaving a net amount of \$993. Twenty-five cents goes unclaimed.
