Figures were released to Grant City Council for use of water and gaming taking place during the month of July.

- Water: During July, 762,700 more gallons of water were used than during the month of June. During July residents and businesses consumed almost 21,480,000 million gallons of water.

This reflects an increase of 1,085,100 during the same time period one year ago.

- Lotto: Sales for lotto totaled \$6,700 at DJ's Bar and Grill during the month of July. A total payout of \$3,563 was given, leaving a net of \$3,137. There was an amount of \$1.50 left unclaimed.
