

Grant City Council released lotto and water figures for the previous month during their last regular meeting on Tuesday, Oct. 11.

- Lotto: During the month of September, lotto sales at DJs Bar and Grill totaled \$5,697.30 for keno.

Payout from that figure was \$3,703.45 leaving a net of \$1,993.85.

There was \$1.50 left unclaimed.

- Water: There were 15,658,000 gallons of water consumed by Grant residents during the month of September.

This figure was a decrease from the previous month of August when 26,943,500 gallons were used.

The decrease from August to September was 11,285,500 gallons of water.

The figure for September 2011 is down from September 2010 also. During this September, there were 4,816,200 fewer gallons consumed than one year ago.
