

Ten ladies from the Perkins County Scarlet Chapeau ate a wonderful luncheon in downtown Grant on Nov. 8.

After lunch there were two tables set for the ladies to play Bunco.

First prize was won by Dolores Sexson; second prize was won by Rosalie Curtis but in the end all received a prize.

They played six games in all—lots of fun and laughter at rolling the dice and most of all relaxing.

The next meeting is in January with Royce Potts as hostess.
