

In preparation of Perkins County's 125th anniversary in 2012, several commemorative items are being sold to raise proceeds to fund the upcoming celebration. During this week's Chamber Christmas open house event to kick off the holiday season, the anniversary committee will be selling 125th souvenirs in front of the dental office in the 200 block of Central Avenue. Among items for sale are salt and pepper shaker sets, pocket knives, Christmas ornaments, sun catchers, pie plates, crockery mugs, t-shirts and sweatshirts carrying the anniversary logo. Also, tickets will be on sale for a mantel clock and lap quilt giveaway. T-shirts can be ordered to size and color, however, some of the souvenirs are limited and a new supply for 2012 won't be received until after the holidays. (Photo by Jan Rahn)
