

*Participants in addition to downtown businesses include the senior center, Perkins County Museum, FSA/USDA Service Center, and Westview Retirement Community.*

Perkins County Chamber will sponsor Trick-or-Treat Street Wednesday, Oct. 31 from 4-5 p.m. in downtown Grant and other locations such as those mentioned above.

Youngsters (and parents too!) are invited to come in costume and collect candy at the main street businesses that have a sign in their window.

This is a fun, safe way for children and their parents to enjoy this annual event in the community. Happy haunting!
