Chamber businesses are gearing up for their annual Christmas Open House to be held in Grant on Thursday, Nov. 15.

This year's theme of "Christmas Wishes GRANTED" will be a kickoff to the holiday shopping season and will be sure to put everyone in the spirit early.

Businesses will be open from 5-8 p.m. offering specials, refreshments and giveaways so customers can get a jump on Christmas shopping and enjoy an evening with friends and neighbors from communities in Perkins County.

Each year, Chamber holds Greenbacks drawings the first few Saturdays in December. On the evening of Chamber Christmas Open House, merchants will give customers their first chance to sign up and enter the drawings set for Dec. 1, 8 and 15 as an opportunity to win Greenbacks prior to the holidays.
