

A memorial in the name of Doug Lee was presented to the Grant Volunteer Fire Department and Perkins County Ambulance at the May 6 business meeting by the Lee family.

This memorial will be used to purchase additional equipment for the fire department and ambulance.

The name of Doug Lee will be engraved on the memorial plaque that is on public display in the meeting room GVFD/Perkins County Ambulance.

The contribution will serve as a lasting remembrance in the memory of the community-minded farmer/rancher.
