

Nebraska WIFE is beginning 2010 with the issues of farm and ranch finance, Homeland Security and rural health as priorities.

WIFE is proud to award a scholarship to any graduating senior who will be attending college majoring in any agriculture related course. They may contact any chapter member to apply.

In 2009 WIFE represented agriculture at the agriculture breakfast during the legislative session as well as the governor's Agriculture Conference Summit, Husker Harvest Days and through their weekly radio spots on KRVN and KTIC radio stations.
