

If planning to chemigate during 2010, applicators need to attend a training session and pass a test to become recertified. Requirements for initial and recertification are the same.

Local training dates/locations are as follows:

Perkins County–March 10 at 1 p.m. at Hastings Memorial Library.

Keith County–March 11 at 1 p.m. at Valentino's.

Chase County–April 14 at 1 p.m. at Imperial Public Library.

Contact the local extension office for more details about chemigation training.
