

A composting workshop is being offered to the general public and Extension Master Gardeners on Sept. 20 in North Platte.

This workshop will start at 7 p.m. CDT, at the University of Nebraska-Lincoln West Central Research and Extension Center, 402 W. State Farm Road, in North Platte.

Participants will learn the benefits of composting plant materials, starting a compost bin, and utilizing compost in the garden and landscape.

Please RSVP by Friday, Sept. 17 to David Lott, Extension Horticulture Educator, by calling (308) 532-2683, or by sending an e-mail message to Lincoln-County@unl.edu.

There will be a \$10 fee for non Master Gardeners that can be counted towards Master Gardener registration in the future.

Current Master Gardeners can attend this program free of charge.
