

Republican River Riparian Restoration Partnership will be hosting their next meeting on Tuesday, Dec. 7, at 10 a.m. CT at the Southwest RC&D Building, 611 Paxton Street in Cambridge. The registration fee covers lunch.

The Republican River Riparian Partnership (RRRRP) is dedicated to education and demonstrations for future care of the Republican River and its 17 watersheds within the basin.

This organization creates local leadership groups to determine what riparian efforts are most beneficial to each specific watershed.

The RRRRP brings together entities from Colorado, Nebraska and Kansas to serve as a liaison between states in relation to conflicting policies and cross-state line funding.

Through this effort, RRRP would like to increase economic development throughout the area, increase the quantity and quality of water within the watershed and increase educational opportunities in regard to water quantity and quality.

Pre-registration for this event is appreciated to help with a lunch count.

To register or see an agenda for this meeting, please contact Southwest Nebraska RC&D by calling 308-697-3477 or 888-585-1085, or emailing [Jennifer.tenbensel@rcdnet.net](mailto:Jennifer.tenbensel@rcdnet.net).
