

Lifetime hunting, fishing, and fur harvest permits make great holiday gifts for Nebraska's outdoorsmen and outdoorswomen. The recipient will have a permit valid for the remainder of his or her life.

Nebraska lifetime permits are available to residents and nonresidents. They are not valid for hunting turkey, deer, elk, pronghorn antelope and bighorn sheep.

Lifetime hunting/fishing combination permits also are available and lifetime habitat stamps and migratory waterfowl stamps are sold separately. A lifetime aquatic habitat stamp is included in the price of the lifetime fishing permit.

Lifetime permits may be purchased at OutdoorNebraska.org or at Nebraska Game and Parks Commission offices.
