

The Annual Spring Fling membership meeting of the Pheasant Run Golf Course will be held Saturday, April 14, in the shelter.

Starting at 4 p.m., there will be free soft drinks and appetizers and a social time. President Shawn Stutzman will begin the business meeting at 5 p.m.

All members and potential members are invited to attend and will be eligible for drawing and door prizes that will be given throughout the evening.

This fifth annual event has become very popular and attendance has grown each year. Along with food and fun, a short business meeting will be held to inform the membership of upcoming events, improvements and tournaments that will be held during the summer.
