The Lady Plainsmen met with undefeated Leyton as well as Bridgeport and Bayard at a tournament held in Bridgeport on Saturday, Sept. 15, finishing second behind Leyton.

Previously, they took on South Platte and Paxton in a triangular where they finished in the second place spot. Paxton was the victor in the triangular taking place Thursday, Sept. 16.

In a schedule of six total games, Leyton remained undefeated this season, taking down each team in two sets, and finishing in first place. Perkins County brought home the silver, Bridgeport finished third and Bayard fourth on Saturday.

Leyton

In Perkins County's first match-up on Saturday, the second game of the day, the girls were beat by Leyton in two sets, 16-25 and 23-25.

"Being undefeated, we knew they would be tough," said Head Coach Penny Hite. "We didn't come out as ready as we wanted, and just couldn't shut down the offense."

However, the girls had some outstanding improvement in serves with 39/40. Hite commended the performances of seniors Jessie Woodmancy and Michi Prante.

"Michi played excellent defense with 17/17," said Hite.
