

North Platte Community College will offer an Emergency Medical Services (EMS) instructor course in February and March.

The course will take place at the NPCC North Campus from 6 to 10 p.m. on Feb. 19, 26, and March 5; and from 9 a.m. to 6 p.m. on Feb. 20, 21, 27, 28, and March 6-7. Attendance for all dates is required.

The course is for any currently licensed EMS provider. State licensing requires three years of service on a department, be a CPR instructor, take an instructor course and be able to be licensed per state requirements.

Cost for the three credit-hour class is \$243. The book, Foundations of Education: an EMS Approach by NAEMSE, is optional.
