Monday, Dec. 14 has been set aside to celebrate Christmas in Elsie.

Some of the businesses in town will have refreshments throughout the day, leading up to the evening's events for the annual community holiday celebration.

At 5:30, a pancake feed is scheduled at the fire hall served by members of the Elsie Volunteer Fire Department.

Upon completion of the pancake feed at 6:30, Santa Claus will arrive in town aboard a fire truck and will distribute bags of goodies to the children.

Local businesses have contributed gifts that will be handed out at the fire hall during a door prize drawing.

Get in the Christmas spirit by enjoying the mood in downtown Elsie on Dec. 14.
