The Imperial Republican

Senator Mark Christensen

of Imperial and former senator Tom Baker of Trenton fielded questions during a 44th District candidate forum held in Grant last Wednesday.

Less than 20 people attended the event, which was also streamed live over the Internet by Perkins County Schools.

The format included opening statements by the candidates, a question & answer session and closing statements.

Opening Statements

By the flip of a coin, Christensen won the opportunity to open the forum.

Christensen said the race for the 44th District is unique in that each candidate has experience in the Legislature, along with a voting record.

He urged voters to look at what each has stood for during their tenure.
