In a tribute to its heritage, Wallace will host a celebration of 125 years with the annual fall festival event on Sept. 15-16.

The Sunday prior, a golf tournament at Oregon Trails Golf Course will be held in preparation of the Wallace Fall Festival's two-day event to honor the quasiquicentennial covering 1887-2012.

A parade, food, games, rides, competitions, derby and dance are just a few of the events scheduled during the two-day celebration.

Come join in the fun and be a part of Wallace's tribute to its heritage.
