

Wallace grads recognized by UNMC

The University of Nebraska Medical Center recently held ceremonies in Omaha, Lincoln, Kearney, Scottsbluff and Norfolk to recognize 759 new students in pharmacy, nursing, medicine, dentistry and allied health. The symbolic ceremony signifies the beginning of a health career.

The white coats were paid for in part with donations from UNMC alumni, faculty, and friends. Jena Aylward and Annika Wickizer of Wallace were among those recognized for the College of Nursing (Kearney).
