

The Wallace Student Council and the local Red Cross are working together to put on a blood drive Wednesday, Nov. 21. The drive will be held in the high school's old gym and will run from 8 a.m. to 3 p.m.

Making an appointment makes donation quicker and easier for donors and staff; however, walk-ins are also very welcome.

Between the approaching Thanksgiving holiday and the damage done by Hurricane Sandy, blood banks are running dangerously low and donations are more important than ever.
