

The Wallace Student Council and National Honors Society teamed up with the local Red Cross to host a blood drive in the school. The drive, which ran from early morning to mid afternoon, collected 30 much needed pints of blood. Hurricane Sandy has canceled many east-coast drives at a time when blood banks are at an extreme low. Further, with the holidays and many people on the road, blood donations are critically important. Donors and volunteers were greatly appreciated. (Courtesy photo)
