

As graduation approaches for many area young people, the Perkins County Health Services Foundation is offering several scholarships.

The scholarships available are for graduating seniors from Perkins County and Wallace Schools who plan to enter a health or Christian education field. Information has been sent to the high school counselors of the two schools and applications are due back to the foundation office by April 1.

For further information, please contact Jane Culver at PCS, Stephanie McConnell in Wallace or Jody Snogren at the foundation office in Grant.
