

North Platte Community College hosted its annual Inter-High Scholastic Competition and TECH-Knowledge & Skills Discovery Day on Wednesday at the North and South Campuses of the college.

Students from 29 area schools took nearly 900 tests in the Inter-High Scholastic competition. In the TECH-Knowledge and Skills competition, 109 students represented 20 high schools.

Awards were presented to the top three individual finishers in all categories. They also received a certificate for three credit hours of free tuition to be used at MPCC this summer. First place winners were awarded with \$500 Mid-Plains Community College Area scholarships. The schools also competed in divisions.

Results of NPCC's Inter-High Day are: Accounting: First–Jessi Hoffert, Perkins County. Art: First–Michi Prante, Perkins County. Math: Third–Taylor Doell, Wallace. Personal Finance: Third–Rachel Marquardt, Wallace. Physics/Engineering - Session 2: Second–Virginia Phillips, Wallace.

Results of NPCC's TECH-Knowledge & Skills competition are: Electrical Wiring: Third – Alex Johnston: Perkins County High School.
