

North Platte Community College's Transportation Division recently began selling tickets for its latest classic car giveaway – a "Hugger Orange" 1972 El Camino Super Sport Clone.

Tickets are \$10 each and no more than 6,000 will be sold. The car's winner will be picked at 2 p.m. Sept. 7 at Colonel Cody's Cruise Show and Shine. Proceeds from the event will be used for student scholarships and to purchase the next car.

This year's car is powered by a naturally aspirated (carbureted) 454 Big Block Chevy engine, bolted to a TH 400 Turbo Automatic Transmission and coupled to a 355 Posi-trac rear-end. Special features include vintage air conditioning, power steering, power disc/drum brakes and air ride suspension.

Tickets are available wherever the car is on display and at the following locations in North Platte: Bob Spady Buick-GMC, Cohagen Battery Store, Grandma's Memories Antiques & Collectibles, Isabelle's Auction House, A.J. Janas, Pat Smith, Jody's Auto Sales, Larry's Barber Shop, Modern Muffler, The Car Doctor, Twin River Body Shop, the NPCC North and South Campus Welcome Center's and at the McCook Community College Welcome Center.
